

Customer Assistant 24/7 (WhatsApp)

Listing title (paste it on the platform)

WhatsApp assistant set up for you, reservations and orders

Listing summary for 1TPE or Digistore: nothing to install, everything is done for the owner.

What it is	An assistant that answers your customers on WhatsApp at any hour: hours, menu, reservation or takeout order requests, with a summary sent to the owner.
Who it is for	Restaurants, caterers, bakeries and shops that get WhatsApp messages for reservations or orders, including in the evening.
What you get	• WhatsApp answers 7 days a week, in 3 languages • Guided path of prepared questions: hours, menu, reservation, takeout order • Request summarized and confirmed by the customer before it is passed on • Recap of every request by Telegram or email • 1,000 conversations a month included, then \$0.044 a conversation (announced beforehand)
Price	No commitment: \$649 one-time setup, then \$97.90 a month, VAT included, 60-day guarantee. 1,000 conversations a month included, 3 languages. That is under \$3.30 a day (subscription only).
Guarantee	60-day guarantee: not satisfied within 60 days, the setup fee is refunded, no conditions. Monthly fees start from go-live.
Limits	• A confirmed reservation: the assistant collects the request, the owner confirms. • Writing into a calendar: not by default. • A payment on WhatsApp: there is none. • Fixing a single answer: you go back to the menu and start over.
Languages	French, English, Spanish
Setup	Done by Organizen: nothing to install on your side.

Short description to paste

A WhatsApp assistant that answers your customers at any hour: hours, menu, reservation or takeout order requests, with a summary for you. Set up for you, 60-day guarantee.
