

WhatsApp loyalty card (Yums)

Listing title (paste it on the platform)

WhatsApp loyalty card: stop losing your regulars

Listing summary for 1TPE or Digistore: what it is, who it is for, price, guarantee, limits.

What it is	A loyalty card that lives inside the customer's WhatsApp: they scan a code at the counter, reply yes, and collect points with no app and no card to stamp.
Who it is for	Bakeries, butchers, greengrocers, snack bars, bistros: any food shop or craft business where customers come back often.
What you get	• Customer sign-up with a code to scan at the counter • Points collected: the customer types the amount or sends a photo of the receipt • A gift at the chosen milestone, validated at the counter • Customer referrals and a numbered menu inside WhatsApp • Morning recap for the owner: a purchase without receipt is refused with one word • Offers sent only to customers who said yes (2 a month at most)
Price	No commitment: \$649 one-time setup, then \$141.90 a month, VAT included, 60-day guarantee. That is \$4.73 a day (subscription only).
Guarantee	60-day guarantee: not satisfied within 60 days, the setup fee is refunded, no conditions. Monthly fees start from go-live.
Limits	• The evening unsold-items alert: it is not live. • A link to the register: there is none. • A promised gain: the table figures are examples. • Customers without WhatsApp: they are not served.
Languages	French and English
Setup	Done by Organizen: nothing to install on your side.

Short description to paste

A loyalty card inside your customers' WhatsApp: no app, no card to stamp. They scan a code at the counter and collect points. Set up for you, 60-day guarantee.
